

I am writing regarding the proposed changes to the "Do-Not-Call" list submitted by the Community Bankers Association of Indiana. I find the proposed changes ludicrous. I joined the do-not-call list because I'm so tired of being solicited for unwanted opportunities. I get enough junk mail from banks as it is do not want them calling me non-stop offering services and products I do not need nor want. If I want to take advantage of additional services or products, I can certainly contact them without them harrassing me. Please do not make any changes to this law. I finally can sit down with my family and enjoy a nice meal without being constantly interrupted by nonsense phone calls. I'd like to keep it that way. Thank you for your assistance in this matter.
